

WELCOME TO GRAND RAPIDS!

Grand Rapids, Michigan – named one of America’s Super Cool Cities by Expedia – offers an experience like no other.

Expedia cited the city’s awesome art, fantastic food, world-class beer and thriving live-music scene – all of which is abundant in the city’s safe, clean downtown, where 200+ restaurants, breweries, shops, museums and entertainment venues are located within a 10 -minute walk of four-star hotels and a skywalk-connected convention center.

Frederik Meijer Gardens & Sculpture Park, one of the world’s 100 most-visited art museums, is within 15 minutes of the city center, along with three massive shopping malls, a classic urban zoo and a wide range of outdoor recreation options.

Foodie-friendly restaurants and attractions – including the dazzling Downtown Market – earned the city a FoodTrekking award as the world’s 2nd best food & beverage destination experience. An “Ale Trail” of 80+ craft breweries demonstrates why Grand Rapids is the reigning Beer City USA titleholder. And anywhere you go, you’re just a short drive from the wonders of Lake Michigan’s Gold Coast – miles of sugar-sand beaches along crystal-clear waters.

All of this, plus a world-ranked airport make Grand Rapids a super fun place to visit!
